

# Free Time: O'clock and Half Past Playdough Mats

Teach children to tell o'clock and half past times with these FREE playdough mats. They should read the time, make the hands using playdough and place them in the correct positions on the clock. FUN hands-on learning for your maths continuous provision!

Simply print on card and place in reusable clear pockets!

The following differentiated mats are included in colour:

- 2 x o'clock playdough mats: make and position the minute hand.
- 2 x o'clock playdough mats: make and position the hour and minute hands.
- 2 x half past playdough mats: make and position the minute hand.
- 2 x half past playdough mats: make and position the hour and minute hands.

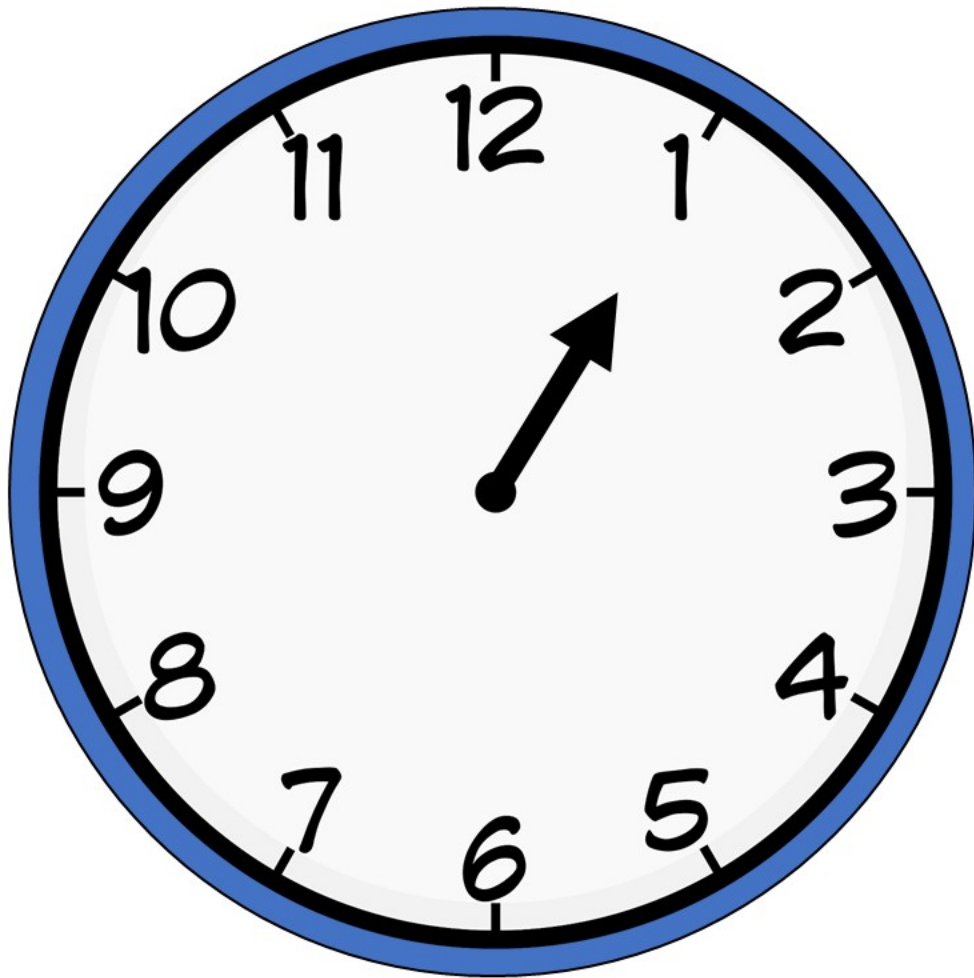

Thank you for downloading my freebie! If you have a spare minute, I would really appreciate it if you could provide some feedback.

I love to see my resources in action, so please tag me on Instagram (@handsonprintables) to show me how you use the activities!
